

Professor MSO Dang Duong Bang's inaugural lecture

On Friday 22 May 2015 from 15.00-16.00 hours, Dang Duong Bang, new professor MSO at the National Food Institute, Technical University of Denmark, will hold his inaugural lecture.

Dang Duong Bang will give a lecture on the background, status and perspectives within his research entitled: From a tube to a chip towards a total integrated lab-on-a-chip system for food safety.

The National Food Institute invites everybody to this lecture and the subsequent reception in:

Meeting room M1, Building 101A, first floor
 Technical University of Denmark, DTU
 Anker Engelsevej 1
 2800 Kgs. Lyngby

Please register at www.food.dtu.dk.

Kind regards
 Director of institute Christine Nellemann
 National Food Institute
