

3rd announcement

Scientific programme

Fluorinated Compounds in Materials, Humans and the Environment - Current Knowledge and Scientific Gaps

Topics of sessions and confirmed guest speakers

- Physico-chemistry and Production of Fluorinated Compounds (Marie Pierre Krafft, Institut Charles Sadron, France)
- Analysis, Handling and Modeling of Fluorinated Compounds (Pim de Voogt, University of Amsterdam, Netherlands)
- Occurrence in the Environment, the Arctic and Global Transport (Jonathan Martin, University of Alberta, Canada)
- Exposure to Humans and Human Biomonitoring (Tom Webster, Boston University School of Public Health, US)
- Epidemiology and Toxicity (Tony Fletcher, London School of Hygiene and Tropical Medicine, UK)
- From Analysis to Regulation (Andrew B. Lindström, US Environmental Protection Agency, US)

Call for oral presentations	May 1 st - July 31 st 2013						
Call for posters	May 1 st - September 30 th 2013						
Registration deadline	August 31 st 2013						
Poster competition	Awards are given to the three best posters presented						
Abstract submission	For information regarding abstract submission go to www.nordfluor-workshop-2013.dk						
Registration	Register online at www.nordfluor-workshop-2013.dk						
Registration fees <u>incl. all meals</u>	<table border="0"> <tr> <td>Nordfluor members:</td> <td>DKK 1500(~200 €) (regular)</td> <td>DKK 750(~100 €) (student)</td> </tr> <tr> <td>Others:</td> <td>DKK 3000(~400 €) (regular)</td> <td>DKK 1500(~200 €) (student)</td> </tr> </table>	Nordfluor members:	DKK 1500(~200 €) (regular)	DKK 750(~100 €) (student)	Others:	DKK 3000(~400 €) (regular)	DKK 1500(~200 €) (student)
Nordfluor members:	DKK 1500(~200 €) (regular)	DKK 750(~100 €) (student)					
Others:	DKK 3000(~400 €) (regular)	DKK 1500(~200 €) (student)					
Workshop	Sunday 27 th (9-15): Physico-chemistry, analysis and regulation of PFCs, € 150/person The workshop is divided into two successive sessions, where each session is a mix between practical and theoretical exercises and discussions guided by experts in the field.						

Venue LO Konventum, Gl. Hellebækvej 70, 3000 Helsingør, <http://www.konventum.dk>

Accommodation LO Konventum, Gl. Hellebækvej 70, 3000 Helsingør, <http://www.konventum.dk>
Rooms/day/person: Single: DKK 1040(~140 €) Double: DKK 740(~100 €)
To be ordered during registration.
You can spend hours enjoying the art and architecture at Konventum offering Art tours, Private golf course (9 holes), Pétanque, Billiards, Jogging paths, Sauna, Ball games and playing fields, Sea bathing and Nature paths. Bicycles available free of charge.

Other hotels close to Konventum, for which you can make your own reservation, e.g.:
Hotel Marienlyst: <http://www.marienlyst.dk>
Feriebyen Helsingør: <http://www.folkeferie.dk/Ferie-i-Danmark/Sjaelland/Helsingor-Ferieby/>
Helsingør vandrehjem: <http://www.helsingorhostel.dk/ENGELSK/index.html>
Madame Sprunck: <http://www.madamsprunck.dk/>

Social program **Saturday** If you are interested in participating in social activities Saturday, then please contact Lisbeth E. Knudsen (liek@sund.ku.dk) for further information.

Sunday Free guided tour to the historic castle Kronborg at 16:00-18:30.
Reception at Konventum 18:30-19:30
Dinner 19:30 (free of charge for workshop participants). For others DKK 225.

Monday conference dinner at the venue with a wonderful view to the Kattegat Sea.

Scientific committee Head of scientific committee: Ian Cousins, University of Stockholm, Sweden
Head of steering committee: Xenia Trier, Technical University of Denmark (DTU);
Rossana Bossi, University of Århus, Denmark; Lisbeth E. Knudsen, University of Copenhagen, Denmark; Ole John Nielsen, University of Copenhagen, Denmark; Allan Astrup, Nordic Institute of Product Sustainability, Environmental Chemistry and Toxicology (NIPSECT), Denmark; Kit Granby, Technical University of Denmark (DTU);
Thomas Knepper, Hochschule Fresenius, Germany.

Tourist information Participants arriving Friday and Saturday have many options for sightseeing in the area, including visits to art and historical museums – see the webpage www.visitnordsjaelland.com.
The museum of modern art Louisiana (www.louisiana.dk) is recommended, where there are special events on Friday nights, and the new museums in the former shipyard area in Helsingør e.g. the Maritime museum close to Kronborg (www.mfs.dk). Public transport is easy, and can be planned at www.rejseplanen.dk.
