

Professor Jørn Smedsgaard's inaugural lecture

On Friday 4 December 2015 from 15.00-16.00, Jørn Smedsgaard, new professor at the National Food Institute, Technical University of Denmark, will hold his inaugural lecture.

Jørn Smedsgaard will in the lecture take a journey from chemical systematics of fungi to exponential technologies in food safety and teaching: *Challenging analytical chemistry to understand biology.*

The National Food Institute invites everybody to this lecture and the subsequent reception in:

Meeting room M1, Building 101A, first floor
Technical University of Denmark, DTU
Anker Engelundsvej 1
2800 Kgs. Lyngby

Please register at www.food.dtu.dk.

Kind regards
Director of Institute,
Christine Nellemann
